Research Profile

Doctoral researcher in Mathematics with research experience in Petri net theory, formal language theory, image segmentation, and image encryption. Seeking a postdoctoral fellowship to contribute to theoretical, computational, and interdisciplinary research while extending my expertise to related and emerging areas of mathematics and its applications.

Research Interests

Core Research Areas: Petri net theory, formal language theory, image processing, and information security.
Broader Research Interests: Discrete mathematical modelling, computational mathematics, and interdisciplinary applications of mathematics.

Education

- **Ph.D. in Mathematics (Thesis Submitted)** *Dec. 2022–Present*
  SRM Institute of Science and Technology Kattankulathur, Tamil Nadu
  - **Thesis:** *A Study on Petri Net Models for Partial Languages, Image Segmentation, and Image Encryption*
- **M.Sc. Mathematics** *2022*
  The New College, University of Madras Chennai, Tamil Nadu
  - **CGPA:** 9.084; First Class with Exemplary; **Gold Medalist**
- **B.Sc. Mathematics** *2020*
  The New College, University of Madras Chennai, Tamil Nadu
  - **CGPA:** 8.566; First Class with Distinction
- **Higher Secondary Certificate (HSC)** *2017*
  MEASI Matriculation Higher Secondary School Chennai, Tamil Nadu
  - **Percentage:** 83.16%
- **Secondary School Leaving Certificate (SSLC)** *2015*
  MEASI Matriculation Higher Secondary School Chennai, Tamil Nadu
  - **Percentage:** 93.20%

Research Experience

- **Doctoral Researcher** *Dec. 2022–Present*
  Department of Mathematics, SRM Institute of Science and Technology Kattankulathur, Tamil Nadu
  - Conducted theoretical research on Petri nets for generating partial and Watson–Crick partial languages, with emphasis on language classes and closure properties.
  - Developed Petri net-based approaches for image segmentation and image encryption, with the encryption frameworks incorporating cryptographic hashing and chaotic maps.
  - Published research articles in high-impact, peer-reviewed journals.
  - Collaborated with researchers on interdisciplinary studies leading to peer-reviewed publications.

Conferences

- Presented the paper entitled **"A Partial Petri Net Framework for Addressing Uncertainty in Healthcare Processes"** at the *CSIR & TNSCST-Sponsored International Conference on Applied Mathematics, Automation and Computing (ICAMAC 2025)*, organized by Kongu Engineering College, Perundurai, Tamil Nadu, India, February 21–22, 2025.
- Presented the paper entitled **"Modeling Uncertainty in Healthcare Process Management with Partial Petri Nets"** at the *12th National Conference on Mathematical Techniques and Applications (NCMTA-2025)*, organized by the Department of Mathematics, SRM Institute of Science and Technology, Kattankulathur, January 9–10, 2025.

- Presented the paper entitled **"Properties of Partial Petri Net Languages"** at the *Dr. Paarivendhar Research Colloquium (DPRC-2024)*, SRM Institute of Science and Technology, Kattankulathur, March 26–28, 2024.
- Presented the paper entitled **"Partial Petri Net Languages and their Properties"** at the *International Conference on Emerging Frontiers in Nonlinear Complex Systems, Computational Intelligence and their Applications (ICNCS 2024)*, organized by Vellore Institute of Technology, Chennai, February 7–9, 2024.

Workshops and Professional Development

- **Generative AI and Prompt Engineering** — Five-Day Virtual Faculty Development Programme organized by the Department of CSE (Emerging Technologies), SRM Institute of Science and Technology, Vadapalani, November 25–29, 2024.
- **Recent Frontiers in Pure & Applied Mathematics** — Five-Day Virtual Faculty Development Programme organized by the Department of Mathematics, Kongunadu Arts and Science College (Autonomous), under the DBT Star College Scheme, Coimbatore, November 11–15, 2024.
- **Research Proposal Writing for Funding Projects: Opportunities and Future Aspects** — International Workshop organized by Inspire Softech Solutions, Chennai, September 20–22, 2024.
- **Mathematics Behind Artificial Intelligence & Machine Learning** — Three-Day Workshop organized by the Department of Mathematics, SRM Institute of Science and Technology, Kattankulathur, May 16–18, 2024.
- **Mathematical Modelling and Its Applications** — International Workshop organized by the Division of Mathematics, School of Advanced Sciences, Vellore Institute of Technology, Chennai, December 13–14, 2023.
- **Advances in Graph Theory** — Five-Day Online Faculty Development Programme organized by the Division of Mathematics, School of Advanced Sciences, Vellore Institute of Technology, Chennai, September 11–15, 2023.
- **Role of Mathematics in Machine Learning** — Five-Day Faculty Development Programme for Skill Development organized by the Department of Mathematics, School of Basic Sciences, SRM Institute of Science and Technology, Kattankulathur, February 20–24, 2023.
- **Numerical and Analytical Techniques in Engineering Problems (IWNATEP-2023)** — Third International Workshop organized by the Department of Mathematics, SRM Institute of Science and Technology, Kattankulathur, January 30–February 1, 2023.

NPTEL Certifications

S.No.	Course Details	Certification & Score
1	**Introduction to Automata, Languages and Computation** IIT Kharagpur (12-week course; January–April 2023)	**Elite + Gold**; Score: 91%
2	**Graph Theory** IISER Pune (8-week course; January–March 2022)	**Elite + Silver**; Score: 77%
3	**Introduction to Abstract and Linear Algebra** IIT Kharagpur (8-week course; August–October 2021)	**Elite**; Score: 73%
4	**Introduction to Probability and Statistics** IIT Madras (4-week course; January–February 2021)	**Elite**; Score: 61%

Technical Skills

- **Document Preparation:** LaTeX (advanced proficiency)
- **Office Applications:** Microsoft Word, PowerPoint, and Excel (proficient)
- **Programming:** Python (working knowledge)

Honors and Awards

- **Dr. A.P.J. Abdul Kalam Research Award 2026** *February 2026*
  SRM Institute of Science and Technology
  - Conferred for excellence in doctoral research, based on a first-authored publication indexed in Web of Science/Scopus during the calender year 2025.
